

SASSPA Seminars 2022

Developing Dynamic Leaders ... *with a little bit of SASS*

Building Tomorrow's Leaders

A seminar for building a high-performance culture
Presented by Dr. Adam Fraser

This seminar will provide a professional learning experience to build your capability as a leader and promote a high-performance culture in the workplace.

Dr. Fraser understands the education landscape well, having delivered the Flourish Movement. Dr. Fraser understands what school leaders have in common and the heavy burden of their workload.

Today's professional learning is designed to create school leaders who are devoted, resilient and optimistic through evidence-based learning.

Developing Dynamic Leaders ... *with a little bit of SASS*

Let's face it, life is getting faster and faster and shows no signs of slowing down. Business is more competitive now than any other time in history.

Companies and individuals now more than ever need to out create, out innovate and out market their competition. The result of this is a workforce that is having serious issues around sustaining high performance.

Dr Adam Fraser is a human performance researcher and consultant who studies how organisations adopt a high-performance culture to thrive in this challenging and evolving business landscape. Adam has a true passion for the research behind his work and has long held partnerships with various Universities throughout Asia Pacific. In fact, he is thought to be the only keynote speaker in the world to have had the impact of his keynote presentation measured in a University study (It improved the behaviour of attendees by 41%).

He has worked with elite level athletes, the armed forces and business professionals of all levels. In the last 10 years he has delivered more than 1500 presentations to over half a million people in Australia, New Zealand and worldwide. He has worked in many industries with clients including CBA, Westpac, Optus, Telstra, IBM, PWC, Ernst & Young, Asteron, AON, Local Government Managers Association, Merck Sharpe & Dohme, Queensland Law Society and the NSW Department of Education. In addition to this Dr Fraser is the author of four best-selling books, including his latest book released in 2020 'Strive' and the acclaimed 'The Third Space'.

His topics included the psychology of performance, improvement of productivity, transformational leadership, engagement of teams, work life balance and development of high performing cultures.

He is regularly featured in the media, having appeared in the AFR, SMJ The Age, CEO magazine, BRW, Fast Thinking, Readers Digest, Human Capitol Magazine and Management Today. He has held regular radio spots on ABC Radio Nationally and his own slot on Sky Business. He is also regularly on Channel 7's Sunrise & The Morning Show, Channel 9's Today and Today Extra and Close Up in Auckland.

He is married to a woman who is far brighter than he is, two daughters who have him completely wrapped around their finger and a dog Tilly who routinely outwits him.
